NDEP Response to YPT CERCLA Deferral Items v.2017.pdf

Good evening Chairman Thom,

We are looking forward to the roundtable meeting scheduled for next Tuesday from 2 to 6 o'clock in Yerington, and to participation from the Yerington Paiute Tribe in the roundtable.

In advance of the roundtable meeting, I wanted to offer to meet with you separately so that we can have additional dedicated time to review Yerington Paiute Tribe questions and concerns. Given the Yerington Paiute Tribe's role and interest in management the Anaconda Site, I thought it would be helpful to offer this separate meeting. We could discuss the attached draft NDEP responses I sent to you on May 2 or other items you would like to discuss.

I am available to meet with you at your offices at the following times in advance of the roundtable.

- Next Monday, May 22, 3 to 5 pm
- Next Tuesday, May 23, 10 am to 1:30 pm

Angeles Herrera, Superfund Assistant Director, is also available to join us in person for this separate meeting.

I look forward to hearing from you.

Sincerely,

Greg
